

School Lab Screening Form

Please complete the table below for ALL pupils attending the lab session. It is vital that we have parental consent before pupils can exercise in the HPU lab. Pupils may be asked to exercise to their maximum for 30 seconds, or exercise to exhaustion over 10-15 minutes. We must be aware of any medical conditions which may make a pupil exempt from participating in exercise.

School Name:		Contact:	
Telephone No. :		E-mail:	

	Pupil Name	Parental Consent (Y/N)	Medical Conditions	Can this pupil exercise? (Y/N)

I understand that pupils remain the school's responsibility at all times during the visit to the University and the University assume that school policy will be followed in respect to medications for individual children, parental consent and emergency contact procedures. All school staff are expected to remain with their group throughout the day and are responsible for their pupils needs, behaviour and safety at all times. Risk assessments are conducted by the University before school visits however additional risk assessments are advised following your school's health and safety procedures.

Signed..... Print..... Date.....

Please use an additional sheet if required.
